

## MJR 24/7 MURAL ACTIVITY

We have created a mural with MJR themes that the students can colour in.

The mural is divided into A4 sheets. Each child is given their own individual sheet to colour in.

Once finished, students piece each page together to create the finished mural.

This is not only a great wet-weather lunchtime activity, but it also gives students the opportunity to work together as a team (i.e., they'll need to choose a background colour(s), choose to use pencils, crayons etc., and who colours in what sheet). It is something they can have total ownership over.

### INCLUDED IN THIS PDF

- Picture of the complete mural
- 28 individual pages that when placed together creates a finished mural that is 7 pages wide and 4 pages high.

### SETTING UP

- Print out the individual pages.
- Following the guides, cut each page across the top and right side only. (example of the guides below).  
This enables each page to fit nicely on top of each other, so they can be stuck together the images within the mural will align.
