TOGETHER EVERYONE ACHIEVES MORE (TEAM)...

This may seem like a simple statement but deep down we like to be accepted as a team member. To be accepted we have to put some of our talent, time, energy, enthusiasm or interest to the team or club. It doesn't have to be a recognised club like netball or football – it can be like home, class or school.

ACTIVITY

Group Discussion: Expand "Together everyone achieves more" in your life.

NOTE: There there is no "I" in team!

If our dream is to have a happy family, happy class, happy staff, happy school and happy sporting team, we need to work as part of a team.

If we are conscious of our role to play as team workers, not receivers or takers, we can give of ourselves and make our team work so much better for everyone.

DREAM WORK**

TEAMWORK AT HOME (TAH) ...

So often we are asked to do a small job by parents or teachers and so often we moan and groan and mentally say we will do it later – like after the TV show or tomorrow. Often parents or teachers then get annoyed. If you are positive and say “certainly” and go and do the job:

- A. You feel good
- B. It is done and you don't have to worry about it
- C. Parents and teachers are pleased and don't have to remind you
